- No replacement
- No replacement
- #404022 Kit Wrangler SW600 no BL
- #404024 Kit Wrangler Elite SW600

SW600 Product Features:

The new SW600 has several **additional features** that are **standard** with this new indicator:

- All units will include a RS232 serial port for easy data transfer
- Three different types of mounting brackets are included:
 - Standard
 - V-Mount
 - U-Bolt Mount
- Optional two-piece RAM mount
- Power cords are included

There will be a minor price adjustment for the SW600 due to the added features.

PLEASE NOTE: THE NEW STOCKWEIGH PRICE SHEET WILL BE MAILED TO YOU SHORTLY.
